# Save on London travel with Carnet

## What is Carnet?

If you often travel back and forth to London on the train but you don't go regularly enough to buy a Season Ticket, the Carnet option could save you time and money.

A Carnet booklet gives you 10 single journeys for the price of just nine\*. You can use each ticket for one journey – either from your local station to London or back from London to your local station.

Tickets are valid for three months and you can buy books of Peak (Anytime) or Off-Peak tickets to mix and match as you need.

## How can I use my Carnet ticket?

To use a ticket, fill in the travel date in permanent ink before you start your journey. Carnet tickets are only available from certain stations and are only valid between the station printed on the ticket and London.

## Which stations is Carnet available from?

We're offering Carnets from more and more stations all the time. Check [www.firstcapitalconnect.co.uk/carnet](http://www.firstcapitalconnect.co.uk/carnet) for the current list.

## How do I buy a Carnet booklet?

Ask at the ticket office at participating First Capital Connect stations or visit [www.firstcapitalconnect.co.uk/carnet](http://www.firstcapitalconnect.co.uk/carnet)

\* The individual ticket journey price is based on half the relevant 'Anytime Day Return' or 'Off-Peak Day Return' fare discounted by 10%.
