

CAMSHARE - HOW TO SET UP A BUDI TEAM

You can inform CamShare you are sharing your journey by setting up a BUDI team, which will also give you eligibility to the 'Sharer Prize' in our CamShare prize draws. Register yourself and your journey at www.camshare.co.uk and follow the instructions below.

1. Search for someone to share with by clicking on the search button next to your journey on the home page
2. Send a request to share to a member that you would like to share with by clicking on the 'more details' button then send a request to share message
3. Already sharing and just need to set up the BUDI team? Follow the same process and find the person you are sharing with from the list of matches. If can't find the person you are sharing with do an advanced search and widen the search radius, also check that they are registered with www.camshare.co.uk
4. The person you are sharing with will need to reply to your message
5. You both need to go to 'My contacts' and confirm that you are sharing, one of you will be asked if you want to create a BUDI team. You will be asked to create a name, select how many day's your sharing, and if you want to mark the team as full – although remember the more people you share with the more you can save.
6. Once you have created a BUDI team you are eligible for the 'Sharer Prize'.
