

December 2011 Timetable Changes

A new timetable will commence from Sunday 11 December 2011. There will be a number of changes which may affect your journey and these are listed below.

Travelling to / from Cambridge

- Introduction of the new island platform
- Introduction of a fast service between Cambridge and Liverpool Street (calling at Whittlesford Parkway, Audley End, Bishops Stortford and Tottenham Hale)
- Trains extensively retimed in the morning / evening peaks
- Reduction in journey times in the morning / evening peaks
- Introduction of brand new 12 coach Class 379 trains in the morning / evening peaks

New island platform benefits

- Improved platform capacity
- Longer trains can operate in the station, including the new 12 coach peak services to Liverpool Street
- Less delays waiting for platform space
