

Less than a  
year to go.  
Make sure your  
business is ready  
for the Games.

Travel will be severely affected during the Games, and it's time to make sure your business is prepared.

There are lots of ways you can do this, such as allowing some staff to work from home, being flexible with start and finish times, stockpiling non perishables and communicating operational changes to staff, customers and clients.

If you haven't started planning already, visit our site today, where you can sign up for email updates and find all the support and information you need to make your plan, before time runs out.
