

*The countdown to the Games is on.
Make your business travel plan now.*

It's time for your business to make a travel and transport action plan for the London 2012 Games. This is essential because London's transport network will operate very differently.

There are a number of things you can do to prepare for this, like allowing some staff to work from home, being flexible with start and finish times, stockpiling non-perishables and re-timing deliveries.

Visit the website now for more solutions and information on workshops and other support, and make your plan before time runs out.
