

Travel for Work Partnership & National Express East Anglia/First Capital Connect Train Season Ticket Discounts

The Cambridgeshire Travel for Work Partnership (TfW) is pleased to offer the employees of all full members of TfW a special discount rate on season tickets and bulk buy tickets purchased for travel to work by train. The season ticket discount is being made available on tickets purchased from National Express East Anglia and First Capital Connect. The bulk buy ticket option is only available on the National Express East Anglia network.

Brief Summary of the Scheme:

- Season tickets may be purchased for valid travel from any National Express East Anglia or selected First Capital Connect stations (excluding London Kings Cross) to Cambridge or Huntingdon stations. See network route maps overleaf.
- The duration of the season ticket can be from one calendar month up to one year. Odd period season tickets may also be purchased if required, for example 3 months and 10 days.
- A special discount rate of 10% will be applied to all season tickets purchased for travel to work by train. See sample fares overleaf.
- Currently there are two ways to purchase a discounted season ticket :
 1. Direct from the ticket office at either Cambridge or Huntingdon Stations.
 2. By telephone from the Customer Services Centre on 0845 600 7245.

See season ticket purchase instructions for details. A web purchase option will be available at a later date.

- Additional benefits for purchasers of an annual season ticket include:
 - discounted travel on other train journeys within the “Network Card” area for yourself (the season ticket holder) and up to three other adults and four children – restrictions apply
 - a railcard for your partner for just £1 (normal price £25) which enables them to travel independently with up to three other adults and four children and to benefit from discounted travel – restrictions apply.
- A bulk buy option allowing the purchase of 20 tickets at a 10% discount to the “anytime” ticket price; valid for a period of 3 months from the date of purchase. This discount is only available to routes on the National Express East Anglia network and does NOT currently apply to the First Capital Connect network.

Season Ticket Purchase Instructions

The season ticket discount is only available to employees of full members of TfW and you will only be allowed to proceed with the purchase by providing proof of your employer. There are currently two ways of purchasing a discounted season ticket:

1. Direct from ticket office at either Cambridge or Huntingdon Stations
 - a. Visit either Cambridge or Huntingdon stations and ask to ***“purchase a monthly/quarterly/annual season ticket under the Travel for Work discount scheme”***
 - b. The ticket office will ask to see your company identity card or a letter on company headed paper indicating that you are an employee of the company. The ticket office will validate the company name against the full TfW membership list.
 - c. The ticket office will require the following information:
 - date ticket to start
 - duration of ticket
 - origin and destination stations
 - photocard number (if held, otherwise a new one will issued with your first ticket – passport sized photo will be required)

Additional benefits for purchasers of an annual season ticket

Discounted Travel

If you purchase an annual season ticket you will be entitled to discounted travel on other train journeys within the 'Network Card' area for yourself and up to three other adults and four children. See Network Card area map.

Adult tickets benefit from a discount of 34% on selected fares and children travel anywhere within the Network area for a flat fare of £1.00

Discounts are valid after 1000 Mon – Fri and anytime at weekends & Public Holidays.

The annual season ticket holder must be travelling in order to receive the discounts.

Discounts are not permitted to travel First Class even if the annual season ticket held is First Class.

Network Railcard for partners

For added flexibility why not purchase a railcard for your partner to use when you are unable to travel. As an Annual Season ticket holder you are entitled to purchase a railcard for your partner for just £1.00. Normal price £25.00

This enables them to travel independently with up to three other adults and four children and benefit from discounted travel.

Adult tickets are discounted by 34% and child tickets by 81%

Discounts are valid after 1000 Mon – Fri and all day at weekends & Public Holidays.

See Network Card area map for reference of validity.

Bulk Buy Purchase Instructions

It is recognised that "season tickets" may not provide value for money for some employees, such as staff working part time or others who may not travel into work by train on a daily basis, In an effort to provide a similar level of benefit National Express East Anglia have created a new bulk buy option providing the option to purchase 20 tickets at a 10% discount to the "anytime" ticket price.

These tickets will be valid for a period of 3 months from date of purchase, with each ticket valid for one return journey made on the same day. The employee will validate each ticket every time they travel. It is anticipated that this option will be beneficial to employees travelling by train between two and four days a week.

This discount is currently limited to National Express East Anglia only and tickets can only be purchased via the Customer Services centre by dialling 0845 600 7245 and selecting option 3 and option 2 again.
